

# ***FREEDOM IN CHRIST MINISTRIES***

October – March 2010

Do we really recognize the enormity of the power of God that is available to us? "The Spirit of him who raised Jesus from the dead is living in you..." (Romans 8:11). "If God is for us, who can be against us?" (Romans 8:31) What an absolute thrill it is to be a child of God! What a privilege to take God's authority and power, and set the captive free!

## **Prayer Points**

Aureole and Tony are excited to announce that our oldest son, Caleb, his wife and our 5 grandchildren will be moving from USA on 26 June to live in Brisbane. They will be living with us until they buy a place. Also, our daughter, Tyffany is expecting a baby on 18 August!

Considerable work has been done to revise our seminar manual and divide it into modules. Already prepared are: 'Module 1 Basic' for the Basic Seminar 'Module 2 Adult' with the additional teaching for the Intermediate Adult Seminar on the how-to's of ministering freedom to adults. The booklet, 'Keys To Staying Free' is being revised to make it a companion to 'The Next Step For You'. Watch this space!

We've just returned from 5 weeks in Malaysia. One reason we went was the wedding of Rachael, daughter of our friends Rev. Richard and Mary Anne Thong. We assisted in the ceremony. A joyous occasion, it was a Chinese wedding. Tony celebrated his 60th birthday at a surprise party with our Malaysian friends.

### **Klang Speaking Engagements**

Klang is the old port area of KL. We spoke to 34 couples for three hours on Intimacy in Marriage. Many commented on how helpful it was, and graphic! Aureole preached to 80 youth. One third responded to the altar call, wanting to deal with things like rejection and addictions, mainly with the computer and lust.

### **Thailand Mar 1-4**

We made an exploratory trip to Hatyai, just north of the Thai border. Transport

was 8 hours by bus. We got acquainted with the pastor of the Full Blessing Church and ministered to her. It is hoped to return to minister to the church leaders when we go back to Malaysia in July/August.

### **Tamil Basic Seminars Mar 12-13, 26-27**

At Petaling Jaya, 2 Basic Seminars were taught by interpretation in the In-

dian 'Tamil' language. 40 Tamil pastors and leaders attended the first seminar. The second had 80 people: half of them Tamil, the other half English-speaking, mainly Chinese. 73 came for open deliverance, and pastors and leaders from the first seminar assisted.

### **Adult Module Mar 20**

Over the 8 years that we have been teaching and training in the KL Grace AOG Church, many people have been trained as deliverance ministers. Pastor Lay Thian (lady), who is in charge of the counseling department, has formed a deliverance team. 16 of these able,

## **TESTIMONIES**

### **Tamil** (translated, of course)

- *The nature to forgive has been born in me. Peace of mind. Deliverance!*

- *I have been delivered from generational curses. I confessed bitterness against people and received deliverance. I have received a new mind.*

- *Burdens of the heart have gone.*

- *I have experienced a deliverance in my life. A new experience of peace. Very useful for doing the ministry of God.*

- *My anger, the desire to kill and the spirit of suicide have all left me. Great peace!*

### **English**

- *My mother abandoned me at 6 months. I couldn't forgive her: after so many years being ministered to I just couldn't forgive my mum. Bitterness and unforgiveness was my problem. But after prayers I received a hug from Aureole Piper. She knelt down and asked for forgiveness as a mum and hugged me. Immediately there was so much bitter saliva in my mouth. After that I felt a release in my heart and spirit. I don't usually like to hug, but now I felt like hugging! As a pastor I couldn't forgive people when*

*they hurt me: I felt an emotion of revenge. But now I feel free, total freedom!*

- *I'm delivered from mental control by the animal and my fear is taken away. Thank God that He has granted me peace.*

- *The day before the seminar I dreamt that a tree sprouted up and coiled around me. I then saw a person come and chop the tree down. In the seminar there was a slide of a man tied up exactly as in my dream! I was really surprised and knew God wanted me to be set free. During my deliverance session I vomited twice with heavy discharges. I believe two specific spirits left me.*

- *Tomorrow is my water baptism. I believe God has sent me here to make me clean.*

- *For a long time I was waiting for inner healing and freedom from God from all the curses and rejection I have gone through. This teaching and practice of freedom from all these situations has benefited and uplifted me, especially in doing the Lord's ministry.*

- *I was bound by a strong, unhealthy sexual addiction before I came to this Freedom Seminar. After following the sessions I learned that there are spirits within which I thought I had to deal with from without. What a revelation! At the end of the seminar I am so charged up to serve the Lord in holiness!*

- *I have learned a lot of things from this seminar. I didn't know that I have unclean spirits in me. Now I am free. Praise god!*

- *My bad thoughts have been loosed and I'm very happy because I'm one of the Princesses in God's kingdom.*

- *I am indeed blessed and delivered, and will be walking very closely with the Lord.*

- *I feel a sense of peace in me. There are things in my past that no one knows, especially sexual sins. Though I have confessed and repented numerous times on my own in the past few years, I always felt unsure and I needed a deep conviction that Father and Jesus have redeemed me and accepted me in love again. Now I feel a sense of release.*

- *Today is an enlightening experience where I could see that the spiritual forces are so real between God and the enemy. I have never coughed so much in my life before!*

- *Thank you Mr & Mrs Tony for helping us deliver ourselves from all evil, and making us as clean as snow.*
